

MINUTES OF THE EXECUTIVE MEETING HELD ON
TUESDAY 2ND APRIL 1996.

PRESENT; Robin Lansley (secretary), Eileen Bateman
(Treasurer), Alan Bromelow, Jack Armitage (warden)

APOLOGIES FOR ABSENCE; Joe Kollar, Graham Parkes.

In the absence of the Chair and Vice-chair it was agreed
that Robin should take the chair.

MINUTES OF THE LAST EXECUTIVE MEETING were agreed and
signed as a true record.

MATTERS ARISING; The copier agreement was discussed at
some length and at £80.71 per month including service
costs and paper and toner this seemed an improvement. The
only options were to a) accept b) get out altogether. We
would have to attract custom by quoting low prices in
order to cover costs and even make some profit. Agreed to
accept new contract providing new machine performs
satisfactorily.

2. No response yet to bid for funds from Allotment
Charity.
3. The lease was being discussed by the NFDC solicitors.

FINANCIAL MATTERS No change in Building Society
funds. Premier Deposit Account to be opened as soon as
possible. It was agreed that the Room Hire fees should
rise by 3% from June.

A.O.B It was regretted that only 8 people responded to
the cleaning sessions. It did raise the question as to
our function and whether we were just providing and
servicing rooms or if we had anything else to offer.

Date of next meeting May 7th 1996
